Protest on Bombing Ship From President Delivered To Emperor

HIROTA SENDS NOTE TO AMBASSADOR

Another Japanese Declaration on "Birth of New China"

By The Associated Press.
SHANGHAI, Dec. 15.—(Wednesday)—The known death toll from the bombing of the United States gunboat Panay and three other American steamers increased to four today when the badly burned body of an unidentified seaman was found.

Three of the dead were Americans and one an Italian newspaperman, who had taken refuge on the Panay.

The seaman's body was found by the United States gunboat Oahu, waiting in the Yangtze river to rescue Panay refugees, who were imperiled again by a clash between Japanese and Chinese troops around Hsien.

It had been expected it would be possible to begin taking the 52 survivors aboard the United States gunboat Oahu and the British gunboat Bee late today but the new outbreak of fighting interrupted plans.

The two gunboats, along with the Japanese ship, Hozu, were lying at the mouth of a creek entering the Yangtze at Hsien, about 45 miles up the river from Nanking.

Naval rescue parties were last reported trying to make contact with the Panay refugees, on their way from Hanshan, some 20 miles inland, toward the river town, bearing their two dead and eight seriously injured.

Neither the Oahu nor the Bee reported refugees had reached Hsien tonight.

Effort To Stop Fighting.

An attempt was made to induce the Japanese to withdraw from the area and stop the fighting until the rescue could be effected. One British officer went ashore with a Japanese naval officer, hoping the latter could persuade Japanese soldiers to move away from Hsien.

Japanese detachments, coming in river boats, were vigorously pressing their offensive against Chinese detachments in that area.

The Oahu radioed tonight that the body of Captain C. H. Carlson, skipper of the Meian, Standard Oil Company river vessel bombed at the same time as the Panay attack, had been recovered. The Japanese were preparing it for burial and it will be sent to Shanghai.

Claim Planes Fired On.

TOKYO, Dec. 14.—(AP)—Imperial Japanese headquarters, explaining the aerial attacks in which the United States gunboat Panay was sunk, asserted today that three gunboats attacked on the Yangtze fired on Japanese planes.

The highest military and naval organ of the Japanese government issued a statement declaring Japanese pilots reported steamers "did not carry flags."

The statement added that pilots although unable to see ensigns reported "many soldiers, apparent-

APOLOGY MADE TO GREAT BRITAIN

By The Associated Press.
LONDON, Dec. 14.—Japanese Ambassador Shigeru Yoshida today apologized to Foreign Secretary Anthony Eden for Japanese attacks on two British gunboats in the Yangtze river Sunday.

This was the second official apology in two days for the incident, a military attaché having expressed regrets to the British war office yesterday.

The gunboats, the Ladybird and the Bee, were not seriously damaged.

Despite the apologies, Britain was understood to be preparing to dispatch a severe note to Tokyo.

There were growing indications the British government would look to President Roosevelt for leadership in the next move if protests fail to gain full satisfaction for the attacks on British and American vessels.

Eden referred to the far eastern situation briefly this afternoon in the house of commons, saying only:

"The government have under urgent examination the situation created by attacks on British ships by Japanese forces in the Yangtze river."

He said he hoped to be in a position to make an expanded statement tomorrow.

"Trial" Bouts Postponed Be Held Friday Night

Due to the severe weather conditions the Golden Glove "trial" bouts were postponed for tonight and will be held Friday night. The first bout will be held at 8:30 o'clock instead of 8 o'clock as previously announced.

Tickets have been placed on sale and reserved seats can be obtained at the Democrat-Capital office. Tickets already sold will be good for Friday night.

The same card as announced will be offered.

SEVERAL HERE INJURED IN FALLS ON ICY WALKS

Numerous Injuries To Pedestrians By Falls on Icy Underfooting

Sedalians arose this morning to find the ground covered with a film of ice, and walking and driving extremely difficult. It was not particularly cold, the thermometer hovering around 30 degrees above zero all day.

Many had solved the problem of walking on the sidewalks Monday by putting sawdust, salt or ashes on the walks, and the city had cindered the crossings on streets in many sections of the city. Individuals were more familiar with the situation, and while many slipped and fell, there were probably not as many as had "taken tumbles" Monday.

M. H. Dunn, a railway mail clerk, who lives at 420 Wilkeson, was on his way to the depot to go out on his run about 5 o'clock this morning, and when near police headquarters on Osage avenue slipped and fell. It was believed he had fractured a hip and he was taken to the Bothwell hospital where a later examination led to the belief that there is an injury, but no fracture.

Is Found Unconscious

O. W. Hall, 1217 South Moniteau avenue, suffered a slight concussion, and will be confined to his home for a few days. Mr. Hall driver for the Dorn-Cloney Laundry Company, was found in an unconscious condition near the steps at the home of Mr. and Mrs. Sylvain Kahn, Broadway and Grand avenue, about 11:30 o'clock Monday morning. He was taken to the office of a physician and it was at first believed he suffered from a fractured skull. The injury is not so serious though and he expects to be out in a few days.

Cars Skid Into Curbs

There were no automobile wrecks reported, but several cars were slightly damaged when they skidded into curbs or other immovable objects. Business was very quiet this morning and only a few braved the hazardous walks to come down town to shop. Pedestrians who had to be out walked as little as possible, and some were wearing metal spurs strapped to their shoes, others had adhesive tape on the soles of their shoes, while some tried covering the shoe sole with sand paper.

Train service is not seriously delayed because of the weather, as the Missouri Pacific west bound train this morning was only about ten minutes late. An east bound train was an hour late, due however, because it was held up by a California connection in Kansas City. The M.-K.-T. passenger trains were right on schedule last night and this morning.

The buses are also running almost on schedule, the delay being when they travel secondary roads, such as highway 52 to Clinton and Windsor.

CALL VENIRE FOR TRIAL OF McCLURE

By The Associated Press.
WARRENSBURG, Mo., Dec. 14.—Sheriff Lee Williams called 35 veniremen today for the trial, scheduled to start tomorrow, of Charles F. McClure, former La-tour, Mo., school superintendent, charged with second degree murder after the 1935 Halloween shooting of Glenn Aldridge, 19.

Ike Skelton of Lexington, McClure's attorney, asked subpoenas for 45 witnesses. Prosecuting Attorney Richard H. Musser asked subpoenas for 15.

FIRES BLAZE IN NANKING AFTER CITY'S CAPTURE

Rising Sun Flags of The Nopponese Flutter at Corners of Walls

NEW GOVERNMENT CREATED AT PEIPING

No Word of Americans Still Believed In Nanking Sent Out

By The Associated Press.
SHANGHAI, Dec. 15.—(Wednesday)—(AP)—Generalissimo Chiang Kai-Shek, in a statement to the embattled Chinese people from "somewhere behind the Chinese-Japanese lines," asserted today that the Japanese capture of Nanking would not affect China's resistance to Japanese invasion.

SHANGHAI, Dec. 14.—Great fires blazed in fallen Nanking tonight as the Japanese army, relentlessly pursuing its punitive mission deep into China, rolled on past the conquered capital.

Japanese fliers reported flames raging through what had only a few weeks ago been the proud seat of Generalissimo Chiang Kai-Shek's government.

Fragmentary reports, filtering in over disrupted communications, indicated actual fighting had ended within the walls of Nanking and the Japanese troops, without slackening their offensive campaign, were carrying their operations farther afield.

Unverified reports of the Japanese virtually slaughtering the defeated Chinese soldiers around Nanking circulated here.

Japanese army and naval spokesmen here said tonight they had no information about the situation in Nanking. They pleaded lack of communications.

Japanese rising sun flags fluttered at each corner of Nanking's walls.

Form New Government

While tremendous clouds of smoke shrouded the fallen city, a new provisional government for China—under the aegis of conquering Nippon—was formed at Peiping.

The guiding principles of the new regime, reported Domei (Japanese news agency), were vigorous opposition to the harassed government of Generalissimo Chiang Kai-Shek, suppression of Communism and cooperation with Japan and Manchoukuo.

The new government was created immediately after the fall of Nanking. The Japanese command for the Nanking campaign announced its troops completed occupation of Generalissimo Chiang's former capital when the sun set yesterday on a day of bloody street fighting.

Among the officials of the provisional regime were two former presidents of China, three former premiers, five former finance ministers and four other one-time cabinet officers, the Japanese news agency said.

The Japanese announced the new government began functioning at noon today. The east Hsien provincial government, which began the "autonomous" movement, and all the other Hsien governments, dissolved and joined the new regime.

No Word on Americans

The communique on the occupation of Nanking gave no word of the 18 Americans still believed in Nanking.

Chinese press reports from Hankow, one of the temporary seats of Chiang's government about 300 miles further up the Yangtze from Nanking and possibly one of the next Japanese objectives, said outer Mongolian authorities had arrived to confer with the generalissimo on plans for a rear attack against the Japanese in north China.

Chinese sources reported that Hangchow, a seaport about 100 miles south of Shanghai, would be the object of the next major Japanese campaign.

Meager reports from Nanking said several Chinese detachments were trapped within the city but continued their virtually suicidal struggle with the Japanese in fierce street fighting or had barricaded themselves in buildings to delay the conquerors.

Meanwhile, it was said, the Japanese continued their "mopping up" operations.

On the day their former capital fell, Chinese patriots found scant elation in reports that a 24-year-old Chinese girl had led a flying column of guerilla warriors which recaptured Taitsang, about 25 miles northwest of Shanghai.

CHARGE SHOOTING OF SPECIAL AGENT

By The Associated Press.
WASHINGTON, Dec. 14.—J. Edgar Hoover said today federal agents had arrested Woodrow Wilson Price of Independence, Mo., at Kansas City on charges of shooting Special Agent Henry A. Snow and attempting extortion.

The director of the Federal Bureau of Investigation said Price had admitted to bureau agents that he mailed a \$600 extortion letter to Howard B. Jacobs on December 3 and three days later wounded Snow while shooting his way out of a G-man trap at Independence.

Snow is recovering from severe shotgun wounds.

Price was arrested yesterday by federal officers. Local authorities arrested him last week, Hoover said, but released him after questioning.

Price, who faces possible sentence of 30 years imprisonment and \$15,000 in fines on the two charges, will be arraigned in Kansas City, Hoover said. The prisoner is 23, married, and the father of two children.

TEN THOUSAND MORE TO RAISE IN RELIEF FUND

Pledges Coming In To Committee Raise Total To \$15,000

With fifteen blasts of the Dorn-Cloney whistle, following upon the fire department's clanging bells and shrieking sirens, the reading on the campaign thermometer of the Pettis County Relief Fund on the court house lawn was raised to the neighborhood of the 15,000 mark at 11 o'clock Tuesday morning. The exact amount on the books at an early hour this morning was \$14,864.64.

This increase of over \$1,500 above the totals announced last Sunday comprised the following items, the majority of which had been previously reported in a preliminary way but were not actually received and audited in the campaign office until Monday:

The Milton Oil Company, the Milton Coal and Heating Company, E. H. Milton and Sons, and employees—\$300.

The Sedalia Packing Company—\$30.

PURCHASE FEED TO CARE FOR BIRDS

The Pettis County Conservation club announced this afternoon that it has purchased between 500 and 600 pounds of bird feed, which will be sent out to farmers by the rural mail carriers Wednesday morning, to feed the birds.

The club members are asking the cooperation of the farmers in feeding the birds during this weather, and many are already doing this, scattering feed over their farms where the birds can get it.

The State Conservation Commission has announced that in the near future it will send out a supply of feed, thus assisting the local club, composed of Pettis county sportsmen, in taking care of the birds.

J. T. Montgomery, H. W. Galbraith, deputy game warden, for this section announced this morning the purchase of 200 pounds of feed which is to be distributed through his place of business 110 South Osage avenue.

Quail are unable to scratch food through the ice and if not fed hundreds might be destroyed by not being able to obtain food.

ARREST OVER SCORE OF PLANT PICKETS

By The Associated Press.
KANSAS CITY, Dec. 14.—Twenty-one pickets were arrested today at the Ford assembly plant, bringing to 70 the arrests made since the United Automobile Workers of America, a CIO affiliate, called a strike there last Friday.

Police Director Otto P. Higgins announced all pickets would be arrested because the police department agreed with Ford officials there was no strike.

Workers entered the plant today under police guard. H. C. Doss, plant manager, said assembly work is proceeding on schedule with more than 100 cars turned out yesterday.

A Ford mail truck was stoned yesterday and an attempt made to halt Ford workers on the way home but a deputy scattered a group armed with bricks and stones.

Roosevelt Memorandum On Japanese Attack

The text of Mr. Roosevelt's memorandum: Memorandum handed to the secretary of state at 12:30 p. m. December 13, 1937. Please tell the Japanese ambassador when you see him at one o'clock.

1. That the President is deeply shocked and concerned by the news of indiscriminate bombing of American and other non-Chinese vessels on the Yangtze, and that he requests that the emperor be so advised.

2. That all the facts are being assembled and will shortly be presented to the Japanese government.

3. That in the meantime it is hoped the Japanese government will be considering definitely for presentation to this government:

A. Full expressions of regret and proffer of full compensation.

B. Methods guaranteeing against a repetition of any similar attack in the future.

TRAFFIC ON THE HIGHWAYS STILL IS HAZARDOUS

Fewer Take Tumbles Than on Monday Reports Indicate

By The Associated Press.
ST. LOUIS, Dec. 14.—Vehicle and pedestrian traffic was hazardous throughout most of Missouri today, with sleet, snow or freezing mist falling intermittently in the northern three-fourths of the state.

Temperatures above freezing rid the southern quarter of most of its ice sheath, but north of U. S. highway No. 60, the roads were slick and dangerous. The state highway department warned motorists to travel only when absolutely necessary and then with extreme caution.

A fine mist, which froze as it fell overnight, made many highways even more glazed than they were yesterday, despite the fact all available equipment of the highway department has been at work spreading gravel and cinders since the onset of the ice Sunday night.

At Lambert-St. Louis Municipal Airport, where all planes are grounded, the weather bureau said the icy condition extended from Kansas City to Indianapolis and from Chicago to Fort Worth, Texas. Railroads, using sanding devices, were maintaining time schedules. Buses were operating an hour or two late on 250-mile trips.

Rain or Snow Probable

Additional rain or snow was probable for Missouri tonight and tomorrow, but Government Forecaster Roscoe Nunn said warmer weather, which would melt the ice, was likely in the state by tomorrow afternoon.

The ice so far has not torn down telephone and telegraph wires and smashed trees with the reckless abandon of last winter's storm. However, Boonville reported the weight of the ice was breaking large tree boughs and power lines.

No major traffic accidents were reported as a result of the ice-coated roads. A transport truck slid off highway 40 near Rocheport and overturned in a deep ditch.

Pedestrians were the chief sufferers, with many injuries blamed on the slick underfooting. The number of persons treated at the St. Louis city hospital for fractures from falls reached 43, with four similar injuries reported in St. Louis county.

Death Due Storm

OKLAHOMA CITY, Dec. 14.—Winter stormed Oklahoma with snow, rain and sleet today causing one death, crippling communications in northern and central sectors and spreading a hazardous layer of ice on highways.

Ice coated lines to cripple telephone, telegraph and electric service in northern Oklahoma. Glenn Earl Lousure, 34, an Oklahoma Gas and Electric Company lineman, fell to his death.

MAYOR VETOES THE TAXI ORDINANCE

Mayor Julian H. Bagby has vetoed the two ordinances passed at the recent meeting of the city council, one relative to taxicabs, the other to bicycles. They will now be referred back to the council.

Mayor Bagby favors regulation of both taxicabs and bicycles, but stated that the bicycle ordinance, as passed, is not adequate for the purpose intended, while his objection to the taxicab ordinance is that part regulating the price.

FORMAL PROTEST SAME AS IN AN ORAL MESSAGE

Japanese Have Agreed To The Chief Stipulations Presented

ATTENTION CALLED TO VARIOUS ACTS

Secretary Hull and President Again Confer on Situation

WASHINGTON, Dec. 14.—The state department announced today that the American government had sent a formal note to Japan protesting against the bombing of the American gunboat Panay and demanded adequate reparation.

The demands were the same as set forth yesterday by President Roosevelt in an oral message directed to Emperor Hirohito.

They were: Formal apologies. Complete and comprehensive indemnification.

Guarantees against future attacks by Japanese forces on American shipping.

Before the American note was presented, however, the Japanese government had agreed to its major stipulations in a note presented to American Ambassador Joseph C. Grew.

Further Discuss Situation.

Secretary Hull, meanwhile, discussed latest developments in the situation with the President. At the same time, a White House official said that Mr. Roosevelt's message to the emperor was prepared by the President himself.

The formal note, presented to the Japanese minister for foreign affairs last night by American Ambassador Joseph C. Grew, protested in vigorous language against the bombardment and sinking of the Panay and sinking and burning of three American commercial vessels.

It called attention to several occasions in the past when it said Japanese armed forces "have violated the rights of the United States."

Claims Rights Abridged.

"In the present case," it added, "acts of Japanese armed forces have taken place in complete disregard of American rights, have taken American life and have destroyed American property both public and private."

"In these circumstances, the government of the United States requests and expects of the Japanese government a formally recorded expression of regret, an understanding to make complete and comprehensive indemnifications; and an assurance that definite and specific steps have been taken which will ensure that hereafter American nationals, interests and property in China will not be subjected to attack by Japanese armed forces or unlawful interference by any Japanese authorities or forces whatsoever."

The oral representatives yesterday were conveyed to Ambassador Hiroshi Saito by Secretary of State Hull. In them, Mr. Roosevelt demanded full indemnity for the loss of life and property involved, formal apologies from the Japanese government, and guarantees against future "indiscriminate bombings" of American shipping.

Personal Message Unusual.

The President transmitted to the emperor of Japan an expression of "shock and concern." Only in rare instances does the head of a state address a message personally to another ruler in diplomatic incidents between nations.

Officials did not attempt to disguise their belief that the incident presented the most serious strain on Japanese-American relations since the outbreak of the undeclared war between China and Japan.

Ambassador Saito was acquainted with the American attitude after he conveyed to Secretary Hull verbally his government's apologies. He echoed expressions of regret made at the American embassy in Tokyo by Foreign Minister Koki Hirota and representatives of the Japanese army and navy.

These expressions were received at the state department with obvious gratification. There was apparent a firm determination, nevertheless, to press the Japanese government for more complete diplomatic satisfaction in accordance with the terms outlined by President Roosevelt.

What future action might be taken by the United States if terms are not met, however, furnished a subject for wide speculation in the capital. There appeared to be little disposition in any quarter to believe that a rejection of the American demands would lead to a complete breaking of relations between the two nations.

Children Asked Not to Hook Sleds to Cars

Chief of Police John J. O'Brien asked that parents cooperate with the police department in keeping children off the streets with their sleds. Numerous complaints from motorists have come to the police department that children are hooking their sleds behind cars, endangering their own lives and those of the drivers who may crash while attempting to avoid them.

SENATE AGREES TO A LIMIT ON CORN AND WHEAT

Action Taken on One of Controversial Farm Bill Sections

WASHINGTON, Dec. 14.—The senate agreed today to fix a limit on the amount of corn and wheat each farm can market under marketing quotas to be imposed by the "ever-normal granary" bill when supplies become large.

This was one of the controversial sections of the bill which had been passed over numerous times during debate.

The provision agreed to order the secretary of agriculture, acting through state, county and local farmer-committees, to fix a quota for every farm, irrespective of whether the farmer had signed a contract.

Southern senators then engaged in a dispute over the method for determining cotton acreage under the compulsory marketing quotas.

The original draft of the bill provided that all "tilled acres" should be considered in making cotton allotments. Several southern senators said this was unfair because ground planted to peanuts, wheat, corn, tobacco, and sugar cane would be considered, with the result that areas where cotton alone was planted might be penalized.

In continuing attacks on the senate bill Senator Bailey (D-N.C.) declared it unconstitutional. "I don't think the bill is constitutional," he shouted during debate on the measure, "but I am afraid it will stay in effect for a year." He added:

"I think the members who drew this bill—with all due respect to them—disregarded every opinion of the supreme court."

Put to a vote, Bailey's suggested limitation on quota reductions was rejected, 43 to 35.

Later, the senate rejected an amendment by Senator Austin (R-Vt.) intended to exempt dairy producers from corn marketing quotas under the ever-normal granary bill. The roll call vote was 46 to 30.

DISMISS SUIT ON HEIRS OF C. B. BESS

SPRINGFIELD, Mo., Dec. 14.—Federal Judge Merrill E. Otis today dismissed a suit against heirs of C. B. Bess, 82, of West Plains, demanding an accounting of the estate of the aged man, who has been declared incompetent. The suit was brought by E. R. Unger of Sapulpa, Okla., who was appointed Bess' guardian after he was adjudged incompetent, and who charges that he has been unable to gain possession or an accounting of the aged man's estate, which is in the hands of Otis to Bess, a son of C. B. Bess, and one of the defendants named in the suit.

Judge Otis dismissed the case without prejudice because it was a combined equity and lawsuit, which type of suit may not be brought in federal court. Plaintiff was given 20 days in which to file separate suits. The principal item in the estate is some \$21,000 worth of securities.

C. B. Bess is the father of the Reverend B. B. Bess, tire dealer in Sedalia and Dr. W. E. Bess of this city. Reverend Bess was a witness in behalf of his brother, Otto, while Dr. Bess was a witness in behalf of Mr. Unger.

The father is in Sedalia visiting with his son Reverend Bess.

GROCCERS TO ELECT OFFICERS NEXT MONDAY NIGHT

Because of the bad weather there was a small attendance at the meeting of the Sedalia Retail Grocers Monday night, and it was decided not to have the election of officers as scheduled. Instead, there will be a recessed meeting next Monday night and officers will be elected.

SUBSTITUTES TO WAGE-HOUR BILL ARE PRESENTED

Administration Forces Gain Some Support From South

LEADERS PREDICT PASSAGE THIS WEEK

First Revision Attempt Expected From Rep. Dockweiler

By The Associated Press.
WASHINGTON, Dec. 14.—(AP)—A printing mix-up delayed house action today on amendments to the wages and hours bill and permitted more time for heated general discussion of its provisions.

In that debate, Representative Lamberton (R-Kas.) said it would set up a dictator for industry and asked return of the measure to committee for overhaul. Representative McNamara (D-Tenn.), also attacking the measure, said it would sacrifice industry and the people of the south.

"The self appointed nursemaid of the measure," McNamara said, referring to Representative Mary T. Norton (D-N.J.), the bill's manager, "has so mishandled the diapers and the safety pins that through frequent changings, the child is suffering from a pernicious skin rash."

Representative Celler (D-N.Y.) interrupted to call McNamara a "hopeless reactionary."

Mrs. Norton had intended to offer, as a substitute for the pending administration measure fixing wages and hours for labor, a print containing 100 amendments her committee had approved.

Through some slips, the revised prints were not ready when the house convened. They were awaited to eliminate the necessity for passing individually on the 100 changes.

WASHINGTON, Dec. 14.—A small group of rebellious northern democrats displaced southern colleagues today at the spearhead of house opposition to the administration's wage-hour bill.

Four members proffered substitute measures, imposing inflexible wage hour standards.

The house first must decide whether to place administration under an independent five-man board or one labor department official.

Although the proposed substitutes differed in some details, none would permit any wage or hour differentials between the North and the South. Proponents admitted frankly the purpose was to alienate members who would support a more flexible measure.

Administration forces gained some southern support for the bill last week by agreeing to include differentials. Southerners contended that without them, industry in their region would be hampered.

Leaders Predict Passage. House leaders, buoyed by success yesterday in defeating efforts to prevent consideration, expressed confidence the bill would pass late in the week without

STUTTERING EMOTIONAL PROBLEM

Often, in this column, I have discussed stuttering, especially in the young child. I have considered the handicap chiefly as an emotional problem, and have suggested that cure is most likely to come when the parents work on themselves for poise and more family serenity, helping the young child cultivate habits of calm and repose and to feel emotionally secure. Scores of parents have written me that, under such conditions, the young child who stuttered has overcome it.

By the same principal we can help the older child who stutters; but the older he is, of course, the harder the problem and the more he will have to work on himself to gain poise, self-confidence, and social courage. If he has sufficient will power and self-management, and enjoys adequate sympathy and understanding from those he comes in contact with at home, school, and at large, he has a good chance to win.

The best book to show him how to win is, "The Stutterer Speaks", by Conrad F. Wedberg, bureau of speech correction, California state department of education. I wish every stutterer old enough to read, would read this book, and that every teacher and parent would.

"A thoroughly happy child never stutters! . . . The stutterer is a person who is not ON his way, but rather IN his way! . . . Stuttering or stammering is merely one manifestation of emotional maladjustment. . . .

"We must ignore the symptoms of stuttering as a speech defect. Corrective procedures must be applied to the source of the struggle, the emotional conflicts which are going on within the

socially maladjusted personality."

Tells of Struggles

The author tells of his struggles and his victory. "Until I was 30," he says, "I stuttered severely. . . . When I finally came to the realization that my affliction was more than a mere speech defect, that it involved my whole personality, and that my stuttering was only the audible struggle of a great battle going on within my emotional life, I attacked my problem from an entirely new approach. In exactly five weeks I emerged from the curse of a stutterer's existence and entered the realm of fluent and unhampered speech."

But let me warn my adult readers who stutter, just to read this book won't cure you. You can cure yourself only if you have the necessary stuff of character and grit in yourself, and either sufficient help by way of encouragement of other people you mingle most with, or have the ability to raise above their hindering response to you. In the last analysis, it will be up to you. Please have no illusions about the matter. Nevertheless, if those who are nearest and dearest to you only know, they could help.

GIRL SCOUT NOTES

Girl Scout Notes

Costumes for the Girl Scout carolers are being made in the WPA sewing room this week. Material is furnished by the local council. Thirty-six girls, four from each of the nine white troops make up the official group of carolers who will be available to all civic groups of the city.

The Girl Scout Leaders' Association will hold its monthly supper meeting on Tuesday eve-

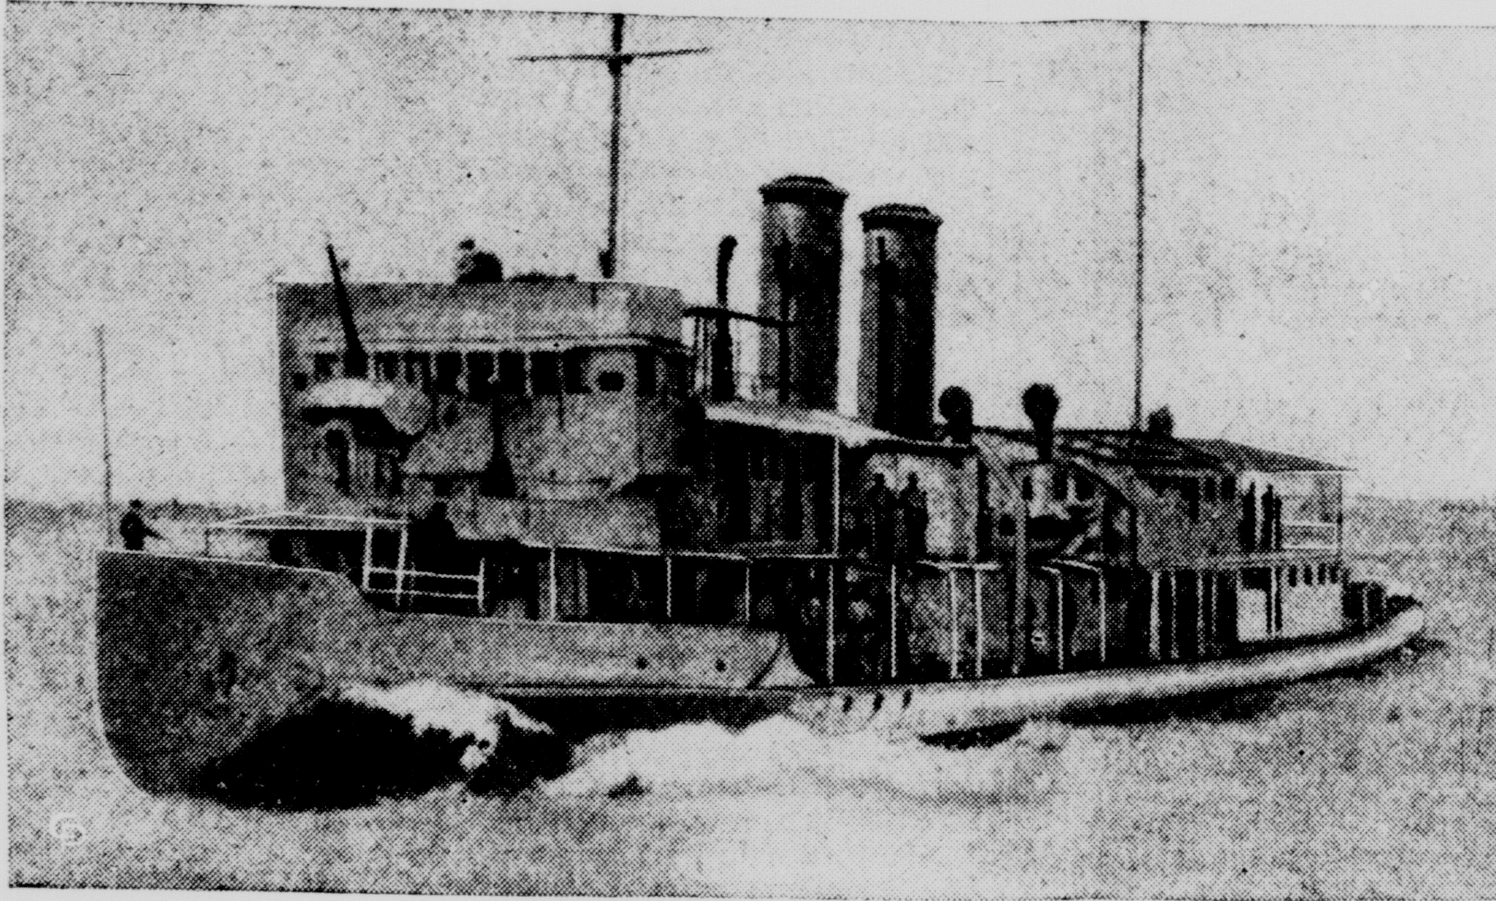

ning, December 14, at the home of Miss Arline Downs, 716 West Seventh street, at 6 o'clock. All members are urged to be present.

On Saturday, December 18, the leaders will give a Christmas party at Little House for all Girl Scouts who wish to attend. Girls must obtain their own transportation. Those who wish to participate in the gift exchange are to bring a gift of not over ten cents in value. Party begins at 2:30 p. m. Mothers and drivers of cars are welcome.

Shamrock troop is preparing for a Christmas party and investiture ceremony on Monday, December 20, at Sacred Heart school. Charlotte Smith, Rosemary Whelan and Joan Connelly are in charge of the program. The mothers are invited and will be served tea and Christmas cookies. Helen Cooney, Scribe.

Tawawa Notes (Colored)

Tawawa troop of Girl Scouts

met Thursday, December 9, in the library at Lincoln school.

Six girls were selected for caroling as follows: Vera Gatewood, Bobby Boggess, Laveeda Boggess, Lavada Eubanks and Minnie Dawkins. These girls are available to civic clubs by appointment with Mrs. Lawrence Webster.

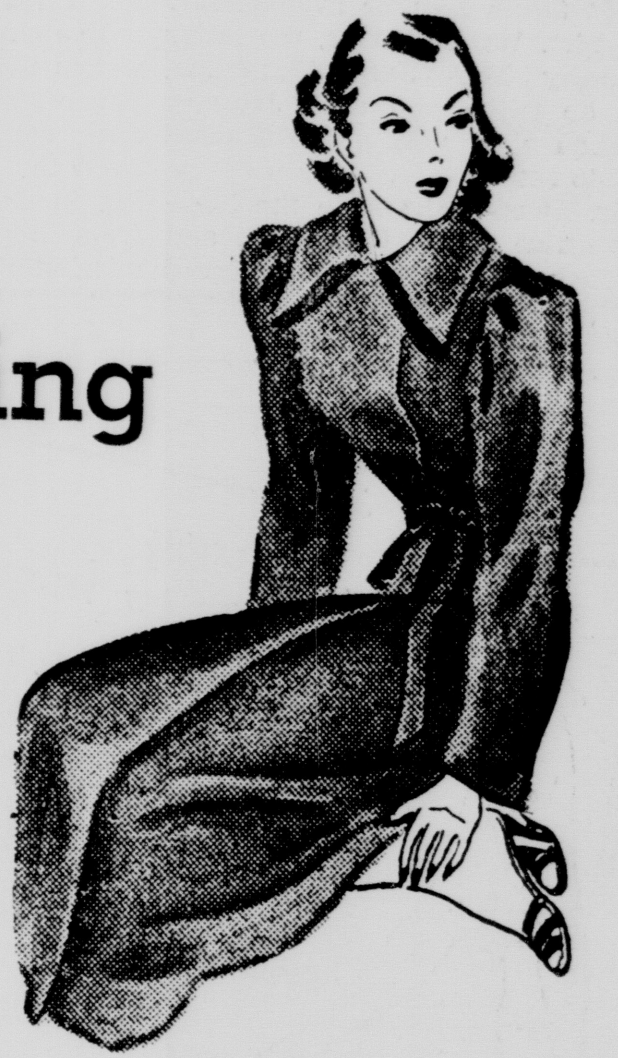

The girls listened to an inspirational address given by Mrs. Cuthbert who is most ancient grand matron of Heroines of Jericho and also colored Girl Scout leader of Joplin, Mo.

The girls were greatly impressed by the address and by the Girl Scout leaders uniform worn by Mrs. Cuthbert.

Every scout is urged to have her pin by next meeting. Definite plans were made for Christmas activities including the adoption of an unfortunate family.

Two Girls Share Honors At Party Monday Night

Mrs. Eugene Dreckman and Mrs. Vivian Whitaker were joint hostesses Monday evening, in a pretty party, at Mrs. Dreckman's home, complimenting Miss Kathryn Fay, who will be married to John H. Simmons Thursday. Sharing honors with Miss Fay was Miss Martha Redmond, whose birthday it was.

Chinese checkers were played during the evening and the award went to Miss Margaret Love. Miss Fay and Miss Redmond were each presented with a bracelet.

Mrs. Dreckman's home was decorated with a Christmas tree, poinsettias and red candles. Ice cream in Santa Claus molds, and a birthday cake for Miss Redmond, were served.

Invited guests were: Miss Kathryn Fay, Miss Margaret Love, Miss Mary Ross Hoffman, Miss Jane Laupheimer, Miss Maxine Pettyjohn, Miss Martha Redmond, Mrs. John Rudd Van Dyne, Miss Martha O'Bannon, Mrs. Victor Scott, Mrs. Harvey Keens, Miss Rose Ann Dugan, Mrs. Everett Edwards.

Young Musician's Club

The young musician's club held its Christmas recital Sunday afternoon at the home of their teacher, Mrs. Jewel Thomas. The president Billy Evans, presided. A beautiful Christmas tree decorated one side of the room. Gifts were exchanged among the pupils, with the appearance of Santa Claus who brought a treat to everyone. Gold stars were awarded to each child for practicing their required time, and for memorizing their Christmas pieces. A large attendance of parents were present, who enjoyed the following program:

CHURCH EVENTS
Because of the ice on sidewalks and streets the family night dinner at the First Methodist church, which was to have been held Wednesday evening has been postponed until a later date. The Christmas program to be given by members of the church school will be held Wednesday evening, December 22. The Christmas musical programs to be given by the combined choir will take place Sunday afternoon at 5 o'clock, December 26.

The mid-week prayer meeting at the Methodist Episcopal church, South, for Wednesday evening has been called off owing to weather conditions.

The meeting of the F. O. C. class of the Epworth M. E. church, which was announced for this evening at the home of Miss Mary Catherine Green, has been postponed indefinitely.

The Wesleyan Service Guild of the First M. E. church meeting is to be held tonight at the home of Mrs. Arthur A. Halter, 232 South Grand avenue, as scheduled. Business and professional young women invited.

DIVORCE STIPULATION TO CARE FOR CHILD

CHICAGO, Dec. 14.—(AP)—Under the terms of a divorce decree believed without precedent, Alfred W. Sims, 46, is obliged to care for his unborn child until it becomes of age.

The stipulation was contained in a decree granted yesterday to Mrs. Irene Ruth Sims, 26. It provided for payments ranging from \$20 to \$40 a month until the child becomes 21 if a boy, and 18 if a girl. The court was informed the child was expected in April.

CHANGES BE ASKED IN SOCIAL SECURITY

By The Associated Press.
WASHINGTON, Dec. 14.—Both the American Federation of Labor and the C. I. O. will ask congress this winter to make far-reaching changes in the Social Security Act.

The A. F. of L. announced today it would propose four major amendments:

1. To extend both the old age pension and unemployment insurance provisions to cover all workers. Domestic, marine, and farm labor now is excluded from the old age pension program, and employees in small shops as well as farm and domestic labor are not covered by unemployment insurance.
2. To require the states to give unemployment insurance benefits to workers engaged in "legitimate" strikes. As the law stands, benefits can not be withheld should an unemployed person refuse to work in a struck plant.
3. To fix the minimum old age pension at \$30 a month for anyone who has paid taxes for five years. The minimum now is \$10.
4. To eliminate employee contributions to unemployment insurance funds.

The federation predicted these amendments would be accepted "not only by congress but by all progressive groups throughout the nation as essential in making the Social Security Act more equitable."

A proposal by Philip Murray, vice-president of the United Mine Workers, to use the old age reserve funds for a vast housing program tops the C. I. O. program. The Social Security board has estimated these reserves will total 47 billion dollars by 1980.

The C. I. O. also has called for "broadening" the act and increasing benefits, but so far has made no specific proposals along that line.

HORACE MANN P.T.A. TO MEET ON FRIDAY

The Horace Mann Parent-Teacher Association will meet at the school Friday afternoon at 3 o'clock. Mrs. Grace Young will make a talk on "Good Reading in the Lives of the Youth," and a program will be presented by pupils of grade three.

The study class will be called at 2 o'clock with Mrs. John Sawyer in charge.

ALL-DAY CHRISTMAS PARTY OF W. B. A. POSTPONED

Safeguards Are Pledged From The Japanese

(Continued From Page One)

TOKYO, Dec. 14.—(AP).—Japan met the major demands of President Roosevelt on the sinking of the United States gunboat Panay before they were presented formally.

A Japanese note expressed regret, promised indemnification and stated measures already had been taken to prevent recurrence of the incident.

A short time later the gist of President Roosevelt's memorandum, demanding full satisfaction for the attack on the Panay, was presented to Emperor Hirohito, a high government official disclosed.

It was reported the memorandum was received quietly.

The high government source said the prompt delivery of the

demands to the emperor itself best illustrated the attitude of the Japanese government regarding the attack on the Panay.

"It shows the extent of Japan's eagerness to face the music squarely," he said.

Official and unofficial sentiment—the latter including even personal expressions toward Americans from the Japanese man in the street—seemed to indicate a readiness to accept the responsibility and to make all possible amends.

This unofficial attitude brought strange scenes in Tokyo streets and public places where Americans met the Japanese public.

The Japanese stopped Americans in their rounds, removing their hats and gravely expressing their sorrow for the incident. The fact that most of the Americans failed to understand was no deterrent.

Average Japanese citizens visited numerous American business offices, tendering their regrets. Taxi drivers and even waitresses

conveyed similar expressions.

Apologies and Regrets

Foreign Minister Koki Hirota sent to United States Ambassador Joseph C. Grew the note which:

1. Expressed apologies and regrets;
2. Promised indemnification;
3. Stated measures to prevent a recurrence of the incident already had been taken.

President Roosevelt's memorandum had asked that the Japanese government consider for presentation to the government of the United States full expressions of regret and proffer of full compensation and methods guaranteeing against a repetition of any similar attack.

"Birth of New China" Another Japanese government statement was issued in connection with the fall of Nanking.

Premier Prince Fumimaro Konoye issued the document which declared that "birth of a new China will serve to safeguard foreign interests in the Far East."

It summarized Japan's contention that she had pursued a policy of "non-aggravation" and said the Nanking government had been reduced to a mere local government.

Earlier today the premier and the cabinet council had heard Hirota's report on the Panay incident and the report of War Minister General Gen Sugiyama on the capture of Nanking.

The premier's statement said in part: "Foreign powers will certainly understand Japan's position as the only stabilizing force in Eastern Asia. Japan will not relax chastisement of the anti-Japanese administration (in China). Japan will cooperate with whatever administration comes into existence in China."

"We sympathize with the nationals of third powers whose lives and property have been affected by hostilities. The birth of a new China will serve as a safeguard to foreign interests in the Far East."

"Thus Nanking's fall is only the prelude of the China question and marks the beginning of real, protracted hostilities against China."

A million persons, mostly school children, paraded in Tokyo celebrating formal occupation of Nanking. The Empress gave the army section of Imperial headquarters a cake of wine in appreciation of its services.

Big Display To Nanking Fall. Japanese newspapers still were silent editorially on the Panay incident, but carried factual stories, emphasizing the "mistake" angle.

A bigger display was given the fall of Nanking and the premier's statement. Nevertheless, the Panay attack completely occupied the popular mind. It was the lone topic of conversation everywhere.

"Japan's attitude," said a government official "is simply that she admits responsibility and is ready to proceed on that basis. The United States' attitude is perfectly understandable."

"The navy already has obtained reports from the squadron which bombed the Panay and, despite the disadvantage strategically, ordered the squadron to cease bombing Yangtze river craft today."

"The essence of the President's memorandum has been given the emperor. What we will hope is that the situation can be settled amicably and we are willing to do everything to accomplish this."

JUNIOR ASSEMBLY TO BE HELD WEDNESDAY

The Smith-Cotton Junior high school assembly will be held in the high school auditorium Wednesday morning at 8:30. There will be a play, musical numbers and apantomime.

All friends and patrons of the high school are cordially invited to attend.

PERMIT GRANTED FOR USE OF SCHOOL GYMNASIUM

The board of education has granted permission to the Sedalia Boys Council, Irwin Raut, director, to use the Washington school gymnasium.

Mr. Raut is therefore asking all young men in East Sedalia, who are interested in basketball, or other athletics, to meet at the gymnasium at this school, Washington, at 7 o'clock Thursday night.

Substitutes To Wage-Hour Bill Are Presented

(Continued From Page One)

substantial change. They were more concerned about sentiment for sending the bill back to the labor committee than about proposals to revise it on the floor.

The senate was trying to complete the farm bill by the time the house finished the wage-hour debate. Senator Barkley, Democratic floor leader, announced he was prepared to insist on night sessions.

The first major attempt to revise the wage-hour bill was expected from Rep. Dockweiler (D-Calif.), sponsor of a substitute drafted by the American Federation of Labor.

He would impose a uniform minimum wage of 40 cents an hour and a maximum 40-hour work week. The labor committee draft would let these standards be set by industries.

If Dockweiler's proposal failed, Reps. Lammek (D-Ohio), Griswold (D-Ind), Connery (D-Mass) and Phillips (D-Conn) said they would demand consideration of their substitutes.

Griswold asserted a whole lot of people in this house are not in favor of the monstrosity being advocated by the leadership and the labor committee. He suggested a flat wage of 40 cents an hour and a 44-hour week.

Provisions Denounced

Republicans and some southern Democrats denounced the bill's provisions.

A retired Baptist minister, Rep. Eaton (R-NJ), declared the bill was "conceived in sin and sired in the cave of the winds at the other end of Pennsylvania Avenue."

Rep. Dies (D-Tex.), a leading foe of the measure, said it was "designed to humbug" the workers and would benefit "only a handful of people."

Bi-partisan critics contended enactment of the bill at this time would disturb economic conditions further and would prolong the business recession.

Rep. Ramspeck (D-Ga) asserted, however, that failure to dispose of the legislation "one way or another" would increase business uncertainty.

Rep. Dunn (D-Pa), calling for united support of the bill, said every measure recommended by President Roosevelt had been "good legislation for the poor of this country."

Other portions of the President's legislative program were advancing slowly.

Barkley pleaded with senators to quit talking matters not in the farm bill and buckle down to hasten a final vote on the measure.

"It is important that this be passed at the earliest possible date," he said. "If we recess on December 22, that means we have only eight days left."

Barkley and Senator Pope (D-Iowa) clung to hopes of a final vote late Wednesday.

The senate yesterday reached the last page of the 97-page bill after wading through it sentence by sentence and voting on all sections. When several controversial spots, passed over, are completed, a large group of individual amendments must be considered.

Friends of the bill agreed yesterday to an amendment by Senator Lee (D-Okl) to scale down all benefit payments above \$600.

Pope said the amendment might as well be accepted because the final bill would come out of a compromise by a joint committee of senators and representatives.

GEORGE M. STAPLES DIES AT VERSAILLES

SCHMELING WINS BY TECHNICAL KO IN EIGHT ROUNDS

Thomas is Knocked Down
Seven Times Before
Fight is Stopped

NEW YORK, Dec. 14.—Max Schmeling signaled his return to the fight last night by systematically cutting down Harry Thomas, crude but willing Chicago heavyweight, in the eighth round of a 15 round match before a near-capacity crowd in Madison Square Garden.

Germany's former holder of the world championship, back in a New York ring for the first time since he flattened Joe Louis in the summer of 1936, toyed with Thomas for six rounds, put on the pressure finally near the end of the seventh and stopped his rugged opponent with a slambang finish.

Thomas, bobbing up and down like a rubber ball from the impact of Schmeling's terrific right-hand blows, was knocked to the canvas seven times before Referee Arthur Donovan halted the one-sided affair, with only six seconds of the eighth round remaining.

Never before flattened in the course of an ambitious but not too conspicuous career, Thomas was the victim of a technical knockout after carrying the fight to his famous opponent for six rounds and doing his best to make the 6 to 1 favorite look bad.

Schmeling, grinning from time to time as he ducked or blocked his rival's vigorous swings and fullback-like lunges, indulged himself in a defensive workout until the final minute of the sixth round.

Then, after breezing the early part of the seventh, Schmeling again turned on the steam. Thomas began to buckle again at the knees but he did not go down for the first time until just as the bell sounded to end the seventh. A direct hit with Schmeling's right sent Harry down and left him so bewildered he had to be led to his own corner.

Systematically and with a grin creasing his dark countenance, Schmeling dropped Thomas six times in the eighth round. Thomas was so dazed by Schmeling's punches that he took no advantage of long counts. He was up twice after only one swing of the timekeepers mallet and regaining his feet in two seconds after three other trips to the canvas from the impacts of the German's deadly right hand.

Donovan twice started to halt the fight but Thomas shook his head. Only after the sixth and last knockdown of the round did the arbiter insist upon calling a halt. Thomas, up on his feet again after another two-second count, was glassy-eyed but still willing.

It was not a severe test for Schmeling but demonstrated to the satisfaction of a critical ring-side gallery that the German's layoff of 18 months has deprived him of none of his punching powers.

Champion Joe Louis, with whom Schmeling has a return date for next June with the title at stake, watched from the ring-side after being greeted beforehand with mingled boos and cheers as he was introduced from the ring.

FIFTH MONEY TO HORTON SMITH

By The Associated Press.
CORAL GABLES, Fla., Dec. 14.—A six-year ambition to win the Miami open golf championship satisfied, Johnny Revolta of Evanston, Ill., banked a \$2,500 check here today where he scored his first big time golf success.

Back in 1932 Revolta—unheard of in a field of the nation's best money golfers—finished second in the big \$10,000 tournament.

He has won many a tournament since, including the 1935 P. G. A. championship, but none gave greater satisfaction than yesterday when, standing 20 feet from the cup over the 72nd green, he putted into the cup for a 282 total and first place.

Jimmy Thomson, the Shawnee siege gun, and Dick Metz of Chicago, tied at 283 and split second and third money, each collecting \$1,125.

Another notch back—at 284 for fourth money of \$750—came Sam Snead, the slugger from White Sulphur Springs, W. Va., who likewise finished with a 73.

Horton Smith of Chicago won fifth money, \$650, with a 285.

Revolta and most of the other pros agreed the 14-club rule, enforced in this tournament by agreement, made little or no difference in the scoring.

The golfing caravan heads next for the Bahamas, where the \$4,000 Nassau open will begin Saturday.

SUSPENSION FOR CARNERA IN ITALY

By The Associated Press.
ROME, Dec. 14.—The Italian Pugilistic Federation today suspended former world heavyweight champion Primo Carnera from further fights abroad because of his recent showings.

Carnera may still fight in Italy but unless the ruling is revoked his foreign career is ended, the federation spokesman explained.

He said a defeat Carnera suffered at the hands of a little known Yugoslav fighter named Supan in Budapest was one reason for the decision.

Carnera, the spokesman explained, showed himself fallen so far from his championship days that Italian prestige demanded his retirement.

'KITTY' RAWLS IS RATED AS NO. 1 GIRL ATHLETE

Poll Gives Her But a
Single Point Over
Anita Lizana

By ALAN GOULD
NEW YORK, Dec. 14.—(AP)—Katherine (Kitty) Rawls, diminutive Florida swimming queen, who captured six national titles this year, achieved the added distinction today of being rated the No. 1 athlete of the year among feminine competitors in the seventh annual Associated Press sports poll.

The 18-year-old aquatic star won the closest voting contest in the history of the poll, participated in by the nation's leading sports writers. Only one point separated Miss Rawls from her two closest rivals, Anita Lizana of Chile, the new holder of the United States tennis title, and Estelle Lawson Page of Chapel Hill, N. C., the national golf champion.

Miss Rawls led in first place votes, with 11, to Miss Lizana's 10 and Mrs. Page's eight. Tabulation of points, on a 3-2-1 basis each expert rated three women performers in the order of preference, gave Miss Rawls the No. 1 honors, with 53. Miss Lizana and Mrs. Page had 52 points each.

Although this trio dominated the balloting, the 44 participating experts gave mention to the performances of 21 feminine headlines, including Sonja Henie, Babe Didrikson, and Eleanor Holm Jarrett.

Others in Tabulation

The tabulation of poll results showed Alice Marble, former U. S. tennis champion had 22 points; Jadwiga Jedzejewska, runner-up U. S. title tennis, 17; Helen Stephens, track star and record-holder, 14; Patty Berg, runner-up in U. S. title golf, 13; Marion Miley, western golf champion, 10; Babe Didrikson, professional golfer, 6, and Lenore Kight Wingard, professional swimmer 4.

Three points: Opal S. Hill, for shooting record 65 in Missouri title golf; Mrs. Charles Newbold, Wichita (Kas.) golfer.

Two points: Stella Walsh, Polish track star; Betty Jameson, Texas golfer; Glenna Collett Vare, former national golf champion; Dorothy Forges, Philadelphia girl who won national indoor 100-yard backstroke swimming title; and Eleanor Holm Jarrett, former backstroke swimming champion.

One point: Mary Hirsch, horse trainer; Georgia Coleman, former diving champion; Dorothy May Bundy, tennis star; Jean Bauer, Providence, (R. I.) golfer; and Sonja Henie, former world champion figure skater.

Previous winners: 1931, Helene Madison, swimming; 1932, Mildred Babe Didrikson, Olympic track and field; 1933, Helen Jacobs, tennis champion; 1934, Virginia Van Wie, golf champion; 1935, Helen Wills Moody, tennis champion; 1936, Helen Stephens, Olympic track and field.

LOUIS BELIEVES HE CAN STOP "MAX"

By GAYLE TALBOT
NEW YORK, Dec. 14.—(AP)—Joe Louis, the cocoa-colored champion, is not a man easily impressed.

He sat dead-panned in Madison Square Garden last night while Max Schmeling knocked Harry Thomas daffy as a dervish in eight rounds, and all Joe had to say was: "If I can't whip that Schmeling the next time I don't ever want to see another pair of boxing gloves."

Joe might have been whistling in the dark. Schmeling, to the lay eye, had looked like a truly great fighter as he toyed with Thomas in the early rounds and then methodically chopped him to the canvas with lightning rights. But Louis sounded exactly like he meant it.

So did his dusky trainer, Old Jack Blackburn: "All I hope is that nothin' happens to that date we got with Schmeling next June," he said happily in the lobby.

Nothing, apparently, is going to happen to that date.

GOLDEN BEARS NOT TRY "FANCY STUFF"

By The Associated Press.
LOS ANGELES, Dec. 14.—Stub Allison, coach of California's Golden Bears, promised today "We won't monkey with our system or try a lot of fancy new stuff" in the Rose Bowl football game with Alabama New Year's Day.

"We've got along nicely on the theory that any play will work if everybody does his part, and we're going to concentrate on getting expert touch on our fundamentals," Allison said.

Allison's only worry is the 22 stitches required to close a wound in the left hand on Sam Chapman, his ace back.

"Sam was leaning back in his chair and somebody asked him to open the window. The chair went out from under him and his hand went through the window."

GOMEZ DIVIDES PITCHING HONORS

CHICAGO, Dec. 14.—(AP)—Vernon (Lefty) Gomez of New York, the fellow they said was "through" a year or so ago, and Johnny Allen of Cleveland divided individual pitching honors during the past American League season, official averages showed today.

The statistics awarded Gomez the junior circuit's earned run leadership. Appearing in 34 games, the Yankee southpaw who won 21 and lost 11 times, allowed only 2.33 runs per contest, the lowest in the league since 1934. Allen, who won 15 games and lost only one, and that the final game of the season, compiled the highest won-and-lost percentage in the circuit's history.

Having previously won his last two games of the 1936 season, Allen's brilliant performance gave him a streak of 17 consecutive victories. Jake Wade of Detroit beat him 1 to 0 with a two hit performance in the last game of the 1937 schedule. Allen's record supplanted that set by Bob Grove, who won 31 and lost 4 for Philadelphia in 1930.

Gomez was the only pitcher in the league to win more than 20 games. The other 20-game winner in the junior circuit was "Red" Ruffing, also of the Yankees, who suffered only seven setbacks.

Right back of Gomez in the earned run column was lanky Monty Stratton of Chicago with a mark of 2.40, with Allen in third place with an average of 2.55 runs allowed per contest.

Gomez led the circuit in strikeouts, 194, and the eccentric left-hander also topped the circuit's hurlers in shutouts, accomplishing six blankings to equal Grove's performance in 1936.

**OTTERVILLE WOMAN
INJURED IN CRASH**

An automobile accident Sunday night resulting in the painful injury of Mrs. P. M. Licklider of Otterville occurred on Highway No. 50, about one mile east of Warrensburg, as a party of five started home after attending "The Messiah" at the College. The ice-coated slab caused the Otterville car, owned and driven by Jesse Stratens, to collide with a machine purportedly driven by a Mr. Rodman and believed to carry an official state license.

Mr. and Mrs. Stratens and daughter, Esther J., and Mr. and Mrs. Licklider, all of Otterville, occupied the Stratens car, while the other machine had only the one occupant. The rear of the Stratens' coach was damaged considerably and was taken to Warrensburg. The Rodman car was not damaged enough to prevent it from traveling and the driver took the Otterville people back to Warrensburg. All except Mrs. Licklider returned home Monday.

Mrs. Licklider was resting Monday, since she could not be moved, but it is hoped that she may be taken to be x-rayed by Tuesday. Her injuries were not believed to be serious, and no bones were believed broken. However, she was unable to walk or to sit up due to injury to her left hip and to her back. She was suffering too from injury to the rib section on her right side and to her left shoulder. Mrs. Licklider was rendered unconscious for a short time after the accident.

Syracuse Items

(By Miss Carolyn Schroeder)
Mr. and Mrs. J. H. Allison and son C. B. attended the short funeral services of Mrs. Allison's sister Mrs. Fred Taliaferro of Kansas City Thursday. Other services were conducted at the Syracuse Baptist church Friday afternoon.

Mrs. Taliaferro passed away at the General hospital in Kansas City Monday after being in ill health for several months.

The name of Shirley Jane has been given to the daughter of Mr. and Mrs. Lawrence Kammerich of Clinton City, formerly of Syracuse. Mrs. Kammerich's mother, Mrs. James Myers, will be with her for a few days.

Mrs. Beryl Gibson and baby son who are in the Bothwell hospital will return to Syracuse soon. The new baby has been given the name of B. W. Gibson, Jr.

Quite a large number from here, including school children and adults, took advantage of the service of the special eye clinic at Versailles Wednesday.

E. L. Schroeder and Aubrey Myers went to Sedalia Tuesday and brought back a piano which was purchased for the grade room which is taught by Miss Barenburg.

Mr. and Mrs. Tom Porter attended the funeral services of Mrs. Porter's cousin, Marlin Miller in Sedalia Saturday.

Mrs. E. L. Schroeder was a Tipton visitor Saturday.

Miss Mildred Turner spent Thursday night with Miss Dorothy Lowe of Tipton.

Mr. and Mrs. Harry Myers and family have moved to Pilot Grove where they will reside.

Mrs. E. L. Schroeder and two daughters spent Saturday afternoon and Sunday with Mr. Schroeder's mother, Mrs. Anna K. Schroeder of Florence, who has been ill but is recovering.

The Christmas program will be presented at the school house Friday afternoon, December 24. The program at the church will be on the evening of December 24. Everyone is invited to attend the programs.

**PIG DIES IN NEW
GAS CHAMBER**

JEFFERSON CITY, Dec. 14.—(P)—The state's first lethal gas execution was performed late Monday with a 100-pound red pig the victim.

Three minutes after 15 cyanide eggs were spilled from their metal tray into a crock of diluted sulphuric acid, sending up a steamy cloud of vapor, the pig stopped struggling against the wooded slats of his crate.

His blunt snout pointed toward the top of the five-windowed cubicle as his body sagged to the bottom of the crate which had been tied on the chamber's two perforated metal chairs.

Warden J. M. Sanders announced the test was satisfactory and that the state would accept

the new death chamber and pay the additional 25 per cent of the \$2,570 contract price due after a favorable demonstration.

The pig, a prison farm animal, took the place of "Red," another pig which was to have been the victim in a test last month. "Red" was saved when tests disclosed the asphyxiation chamber was not airtight.

**WOULD WED A
FORMER CONVICT**

SAN FRANCISCO, Dec. 14.—(AP)—Bertha Scott of Sedalia, Mo., came to the city prison with a marriage license application Monday and obtained the signature of Kraft Boyd, 23, one of three former Missourians jailed on robbery charges.

Miss Scott said she would return with a license and a minister Friday.

Boyd is to appear before Municipal Judge Thomas M. Foley today. If convicted, he faces a sentence of 5 years to life.

Miss Scott said she began corresponding with Boyd while he was in the Jefferson City, Mo., penitentiary. She said she met him later at St. Joseph, Mo., and "fell hard," then followed him to Petaluma, Calif., because "I thought I could influence him."

The other former Missourians held on robbery charges are Grover Settemeyer, recently wounded in a gun battle, and Richard Hart. Settemeyer said he was from Kansas City, Hart from Kirksville.

**DECEMBER MEET
OF HOMEMAKERS**

The Sunnyside Homemakers club held its December meeting with Mrs. C. Rodenbach. Mrs. Talbie Williams was the assistant hostess.

The morning was given over to the business session presided over by the president, Mrs. Harry Sneed.

In keeping with the Christmas spirit, the program was centered around that subject. Mrs. John Fowler conducting the devotional. Mrs. Sneed read a Christmas poem.

The news letter containing many worthwhile thoughts of Miss Amy Kelly, was read by Mrs. Heffernan and Mrs. Tucker.

The secretary read a letter of appreciation from the Cooperative Home at Columbia for the part the club had taken in helping to furnish the home. The treasurer's report showed a nice sum on hand.

A report from the State Farm Bureau meeting at Columbia was heard during the day. The club was happy to hear from these representatives because of the report of the music and public speaking contest, and also of the pleasant evening spent with Mrs. E. H. Helman and son, Gene.

The Christmas party has been planned for Thursday, December 30 at the Heffernan home. An interesting story of the club was given by Mrs. Sneed. The club in its eight years of operation has been served by four faithful presidents each serving two years. No time during this period has a vice president had to serve.

Mrs. Sneed, the retiring president was given an expression of thanks for her faithfulness and excellent leadership.

**Why Use Pills
or Purgatives?**

The purpose of most cathartics is to over-stimulate your intestines. Afterward, you may feel weakened. In cases of common constipation, isn't it better to keep "regular" with a wholesome NATURAL food like Kellogg's All-Bran?

All-Bran will keep you "regular" as the time-table—but it works so differently from medicines. It doesn't over-stimulate your intestines; it gives them TWO things they need. First, All-Bran provides "bulk"—it absorbs water and softens like a sponge. This water-softened mass aids elimination.

Next, vitamin "B."—All-Bran is a good source of this vitamin that tones up your intestinal tract.

Use All-Bran REGULARLY: eat two tablespoons every day and drink plenty of water. The results will delight you! Every grocer sells All-Bran. Made by Kellogg in Battle Creek.
